Request for Waiver of Fees in the Public Interest

June 22, 2012

Pursuant to section 2-71-32 of the Hawaii Administrative Rules, the American Civil Liberties Union of Hawaii Foundation ("ACLU") hereby requests a waiver of \$60 of the fees that may be assessed under section 2-71-31. The ACLU is a nonprofit, public-interest law firm; our mission is to protect individual freedoms guaranteed under the federal and state constitutions. The ACLU has been engaged in legal action and public education in Hawaii since 1965 on issues affecting constitutional rights. Public dissemination of the information contained in these documents will contribute significantly to public knowledge and understanding of the Hawaii Police Department's policies and practices relating to the use of license plate scanning technology in Hawaii. These documents are not readily available in the public domain. The ACLU has frequently been at the forefront of monitoring and litigating concerns regarding the constitutionality of actions that infringe on privacy rights. The ACLU has no commercial interest in the documents requested, and intends to publicize this information (as it has done with previous open records requests; see, e.g., Michael Levine, *Honolulu Police Load Up on Taser Ammo, Pepper Spray, Bean Bags for APEC*, Civil Beat, Sept. 26, 2011, available at <http://www.civilbeat.com/posts/2011/09/26/12961-honolulu-police-load-up-on-taser-ammo-pepper-spray-bean-bags-for-apec/>). As a public-interest organization, the ACLU has both the primary intention and the actual ability to disseminate this information in an appropriate manner: the ACLU has approximately 2,000 members state-wide, and is able to disseminate this information to our members via our newsletter, our Facebook page (which has over 2,200 "friends"), our website (which received over 3,000 hits in October 2011 alone), and our Twitter feed (which has over 600 followers).

The ACLU of Hawaii has the primary intention to inspect this information and ensure that any present or future plans for license plate scanning does not infringe our privacy rights outlined in the United States Constitution. The ACLU also has the intention of publicizing this information by posting the ACLU's request, and the Hawaii Police Department's response, on its website. The ACLU of Hawaii has a page on its website devoted to informing the public about government responses to open records requests, <http://acluhi.org/openrecords-requests/>, and the ACLU of Hawaii has the primary intention of posting the Hawaii Police Department's response on this web page. The ACLU of Hawaii will also publicize this information by using some combination of Facebook, Twitter, and/or our newsletter to help spread this information to our members and the general public. Depending on the nature of the records provided by the Hawaii Police Department, we may also publicize this information by distributing the records to media outlets such as Civil Beat, the Honolulu Star-Advertiser, Hawaii Public Radio, and/or various other media outlets. We have the ability to distribute this information to the media, insofar as we have a comprehensive e-mail database of media contacts, we have developed strong professional ties to many journalists over our 45-year history, and we interact with journalists on a regular basis.

Requester respectfully asks that, if the total fees for this request (including copying charges) are anticipated to exceed \$150.00, Respondent notify Requester and obtain express written permission to proceed with the request.
