Aloha Brandi,
Thanks for this invitation. Yes, William can come in tomorrow before 7:30 a.m. to sit down with Mahealani for a taped interview on this topic.

Where should he park and how does he get to the news studio ? I think you have some parking up the ramp...?

I'm attaching a suggested list of questions for Mahealani, plus our fact sheet.

Let me know if you have any further questions.

Happy Halloween!

Dear Brandi and Michelle:

Would you have time on your morning show the week of Oct. 29-Nov. 2, to accommodate an interview with William Aila, regarding Constitutional Amendment #1 on the general election ballot?

DLNR supports this amendment which would provide a low-cost funding mechanism for needed improvements to privately owned dams and reservoirs in the state that would be financed by special purpose revenue bonds that dam owners would need to repay.

Here's a summary information sheet explaining how this would work if the amendment is approved. We can set up sample questions for your interviewer.

Please let us know if there is any possibility William could come on your show to discuss with you.

Mahalo!
