good point! thanks Carty!

you caught me copying and pasting :-)

will make the change and show to William and try to get on our website tonight.

thanks,

Laura

Laura

Can we make the section that reads "How does this affect the State?" read something to the effect of "How does this affect the general public? It is the general public that will be voting on this and this message should targeted to identify "what's in it for the voters" and how voting "yes" will impact them.
