Alyson

Yes, believe we can charge this to the DRSSF. Though not specifically stated, believe it fits the intent of what these provisions were drafted.

If there is question or if it would appear better to expend operating funds we have sufficient monies in the 323.

Thanks Ed

Per HRS 179D-6-b-10

- (b) The board shall administer the dam and reservoir safety program established by this chapter. In carrying out this chapter, the board shall cooperate, advise, consult, contract, and enter into cooperative agreements with the United States government or any of its agencies, other state agencies, and the county governments or any of their agencies. In the performance of its duties, the board shall:
  - (10) Consider dams and reservoirs as important water resources for the State that provide significant benefits to the general public, including irrigation for agriculture and other important uses, and acknowledge the need for dams and reservoirs to be consistently maintained and operated in a safe and feasible manner that sustains their roles as important water resources; provided that public safety concerns are addressed;

Per HRS 179D-25-b-3&7

- (b) The board may expend moneys from the dam and reservoir safety special fund for:
  - (3) Preparing and disseminating information to the public concerning activities authorized under this chapter;
  - (7) Other purposes for the administration of the dam and reservoir safety program under this chapter or any rule adopted thereunder, including but not limited to funding permanent or temporary positions that may be appointed without regard to chapter 76.

Aloha Shannan,

We'd like to schedule the following 7 dates.

Main News: 10/30, 11/5, 11/6  
Local Section: 10/31, 11/1, 11/2, 11/3

Please let me know what the next steps are for setting up an account unless our DLNR Engineering division already has an account with Star Advertiser. I've copied Alyson Yim as she is the DLNR contact that I will be working with for payment of the ads.

I will send you artwork shortly. When would we need to confirm the proof by?

Mahalo,

Laura Stevens
