Subject Re: Please remove all information from website re
Constitutional Amendment #1

Hi Everyone,

I can remove it from facebook however, as a side note some people get more upset when something is removed from the facebook feed. For consideration, it is no longer prominently located on the facebook page.

Debbie if you get a chance can you look up the AGs social media policy I don't have a copy with me, they may have instructions/policy on when an agency can remove posts

thanks,

Laura
