Subject: TC prior to Wednesday's state huddle re homelessness

Hi Doug,

I wanted to check if you and I could speak by phone sometime prior to Wednesday's state huddle regarding homelessness and the Governor's use of emergency powers.

I am available anytime for the remainder of this afternoon, or anytime tomorrow before 9 a.m. or after 1 p.m.

Thank you for all of the assistance you and your staff have provided. I apologize for the short notice, but wanted to touch base with you briefly by phone if possible.

Thanks again,

Scott
