BODY WORN CAMERAS AND DIGITAL EVIDENCE MANAGEMENT, WHAT YOU NEED TO KNOW

REGISTER FOR THE WEBINAR

A social disturbance - an armed robbery - a traffic incident. Video evidence can acquit the innocent and convict the guilty in seconds. The right evidence can change the perception of a moment.

Body worn cameras and the evidence they provide are a key topic on the minds of many law enforcement officials today. There are many issues to consider, such as legal filming policies, camera footage storage and retrieval, cloud software management, video retention requirements, distribution requirements, the list goes on.

Tune in on **December 3, 2015 at 1:00 PM ET** to hear Motorola and industry experts discuss these issues and give an [exclusive overview](#) of Motorola's Si500 Video Speaker Microphone and CommandCentral Vault Digital Evidence Management Solution.
