Subject: Bills of Importance
Importance: High

Hello Everyone,

The Legislature is scheduled to close on May 5th. Bills are already being signed and becoming Acts(laws). Please identify the bills that are important to you as soon as possible so we can request the Comments and Recommendations Forms for those bills should they be submitted to the Governor for signing. When we get this information from you, we will send the request for the individual bills. The forms for the bills that are sent to the Governor for signature will be sent to you to fill out with the instructions.

Please contact Major Lester Hite at 723-3771 or lhite@honolulu.gov with any questions. Thank you.

With Integrity, Respect and Fairness,

Sue Ellen Bader
