Aloha Mike,

Hope you had good holiday yesterday bro, these mid-week holidays are interesting. When I come back to work on Thursday it feels like a Monday, then I get excited because it is actually Thursday and the week is almost done...lol.

I wanted to get some information from your regarding your Body Worn Camera (BWC) program as we are in the process of developing ours:

- [REDACTED]
- [REDACTED]
- [REDACTED]

Thanks Mike. I appreciate your input.

Mahalo,

Andy
